Join Madonna's Ambassador Team!

What does it mean to be part of Madonna Spinazola's Ambassador Team?

Madonna has created the Ambassador Team because she wants every community in Kings County to have a voice.

The Ambassador Team is made up of dedicated community residents who support Madonna for Mayor. Their main role will be to help her gain a deeper understanding of the issues, concerns, visions, and objectives within the more than 50 communities that make up Kings County.

This outreach team is integral to the success of her campaign platform, which emphasizes community, communication, and consultation for a holistic approach to governance.

If elected Mayor of Kings County, Madonna hopes the Ambassador Team will remain her go-to group during her tenure. Kings County communities are diverse. An Ambassador Team can ensure the Mayor grasps the aspirations and concerns of each community.

What might you be involved in as an Ambassador?

- Creating awareness of the candidate within your community through coffee meetings, Community Hall gatherings, etc.
- Engaging with neighbours and friends to listen to their concerns
- Discussing feedback, proposed solutions, and new ideas with the team
- Gathering insights from community members and reporting back to the candidate
- Being enthusiastic and authentic in representing the candidate
- Attending community events alongside the candidate
- Reminding the community about voting procedures and encouraging them to vote during the 10-day electronic voting period from October 9th to October 19th.

If you're interested in joining Madonna Spinazola on this exciting journey, contact her at info@madonnaspinazola.ca or call 902.670.1946 for more information. Your support is invaluable as we embark on this journey together.
